There is No Substitute for Quality.

Stant®

An American Company Since 1898

Stant® USA Corporation is the foremost global supplier of vapor management systems, fuel delivery systems, thermal management systems and engineering services. Founded in 1898, and headquartered in Connersville, Indiana, Stant's mission is to achieve profitable growth and increase stakeholder value by designing, engineering and manufacturing products that deliver to our customers' expectations.

Best to Market. New Stant® Coolant Temperature Sensors.

Stant Coolant Temperature Sensors, which can be found as original equipment on most major nameplates, are the perfect companion to the Stant thermostat line, insuring that a vehicle's cooling system is running to exact OEM specifications.

There is No Substitute for Quality.

Stant SuperStat® Lasts a Lifetime

Stant SuperStat Outlasts and Outperforms – It's Clear.

- Most competitor thermostats begin to fail at only 15,000 cycles
- By 20,000 cycles, two thirds of competitor thermostats have lost 25 percent of their opening capacity
- Stant® SuperStat® retains full stroke, even at 65,000 cycles
