

HEAVY DUTY ALUMINUM TRACK
Comes in 3 sizes: 12", 24", and 48".
All kits contain: 1-length of Supertrak, 1-Supertrak deck hook, stainless steel hardware, 2-end caps.

SUPERTRAC DECK HOOK
Heavy duty, universally adjustable / quick release tie-down anchor.

LOCKABLE
Add a pad lock and it instantly becomes a theft deterrent.

LOCKABLE

STAINLESS STEEL HARDWARE
The Supertrak is secured with all stainless steel hardware for best quality securement and will not rust.

SUPERTRAC END CAPS
End caps cover and close the Supertrak ends with a clean, finished look.

FULLY ADJUSTABLE
Fully adjustable. Industries first 8pt securement deck hook. Perfect for securing the Superclamp Rear in different locations.

Superclamp puts everything within reach.
