

UltraGard® Added Fitments for Can Am Spyder

Rice Lake, WI – UltraGard® introduces its newest Can Am Spyder cover for the popular GS/RS/ST models. This custom fitted cover has UltraGards standard double stitched interlocking folded seams for maximum strength and durability. Made from custom dyed water resistant polyurethane coated polyester material. Initially offered in UltraGards top selling Black over Charcoal color combination. Includes zip out expandable windshield and passenger backrest pocket to maximize utilization on almost any model and accessories. Additional windshield scratch protection from UltraGards own Softek™ liner. A sewn elastic hem with 2 bungees attached to rust proof grommets allow adjustment for a snug fit. Includes high visibility reflective piping and logo to allow your covered Spyder to be seen in dark parking lots. BBP# 4-455BC
