

UltraGard® XT Trike Cover

Rice Lake, WI – With many of today's trikes getting longer and wider, UltraGard® now offers an extra-large trike cover for those rides. The new XT Trike Cover was made to fit the larger GL1800 trikes as made by Hannigan, Roadsmith and California SideCar Trikes. This cover has been custom designed to provide the same tailored fit UltraGard® Covers are known for. Available in Black over Charcoal with polyurethane coated polyester for maximum durability and light weight compactness. UltraGard® Covers easily fold back up to fit into their small compact pouch for fitting in your trunk, saddlebag or lid covers. Part # 4-466BC.
