UltraGard® Touring Luggage Rack Bag

Rice Lake, WI – Finally a luggage rack bag with practical style and function! Designed with the rider in mind, UltraGard® has created a bag made of high quality weather resistant materials, durable construction and a sturdy mounting system. A large main compartment allows for maximum storage. Additional four easy access zippered compartments with two expandable side pockets add up to 3,320 cu in. of extra storage space on your bike. UltraGard® includes an attached rain cover and a comfortable shoulder strap for easy, unrestricted off bike carrying.
