# FISH WITHOUT LIMITS.

**CONQUER ALL CONDITIONS TO EXTEND  
YOUR TIME ON THE WATER.**

You've never needed anyone's permission to fish longer. Staying where you belong on the water requires only the endurance to keep casting, and the gear to maintain peak performance. When you're cool, you're comfortable. When you're protected from the elements, you're powerful. The only one who gets to decide when you're done is you.

### ULTRA-TIGHT, 'SECOND-SKIN' FIT

These products fit snugly to the body providing a close, lean, and supportive fit.

### CONTOURED TO THE BODY

Designed to be very close to the body without the constriction of compression.

### REGULAR FIT

Fits closely. Contoured to the body.

### GENEROUS CUT, OVERSIZED FIT

Generous cut product, providing full range of motion, and a full, loose fit.

## GEAR LINES

Blistering heat to bitter cold. Whatever the climate, whatever the conditions, Under Armour® Performance keeps athletes comfortable, dry, and light with gearlines engineered to perform.

### KEEPS YOU WARM WHEN ITS COLD.

Best for weather between 0° and 55°.

### KEEPS YOU COOL WHEN ITS HOT.

Best for weather between 75° and 100°.

# PERFORMANCE

Every Under Armour® product is doing something for you: it's making you better. Following are the core pieces of DNA that deliver on this promise. The building blocks of performance.

We've developed a system of water and wind protection to equip athletes facing any and every wet weather situation imaginable. From drizzle to steady rain to hurricane, we will keep you dry so you can perform better.

## **STORM**

**WATER-RESISTANT**  
Durable water-resistant finish keeps you dry and light.

## **STORMPROOF**

**WATER PROOF:**  
A breathable, protective membrane and fully taped seams for 100% waterproof performance.

## **ISO-CHILL** COOLING TECHNOLOGY

UA Iso-Chill stays cool to the touch and dissipates heat so you can conquer your pursuits through extreme conditions.

## **COOLSWITCH** COOLS YOUR BODY & SKIN SO YOU CAN PERFORM LONGER.

UA CoolSwitch has been proven to keep you cooler and empower you to perform longer...and isn't that the point? When everyone else is falling off, you just "flip the switch" and keep going hard.

## **UA MICROTHREAD**

UA Microthread technology in the fabric dries faster, won't cling to you, won't chafe & stretches without absorbing sweat

## **UNDER ARMOUR® SCENT CONTROL**

Our revolutionary scent technology combines synthetic Zeolites with the anti-microbial power of Silver to trap and suppress the growth of odor, and keep you undetected.

## **ARMOURBLOCK®**

**ARMOURBLOCK® NEUTRALIZES ODOR-CAUSING MICROBES TO KEEP YOUR GEAR SMELLING FRESHER LONGER**

## **UNDER ARMOUR CHARGED COTTON™**

**THE WORLD'S BEST TRUE PERFORMANCE COTTON. DRIES FASTER THAN ORDINARY COTTON**

# NO FLY ZONE<sup>®</sup>

INSECT REPELLENT TECHNOLOGY

By  Burlington<sup>®</sup>

**BUILT-IN INSECT  
REPELLENT  
TECHNOLOGY**

#### **PROVEN TO REPEL**

Effective against mosquitos, ants, ticks, chiggers, flies and midges.

#### **ODORLESS & INVISIBLE**

No Fly Zone<sup>®</sup> technology converts gear & garments into long-lasting, effective and convenient insect protection.

#### **DURABLE**

Effective repellency through 70 home launderings, that's years of regular wear.

# UNDER ARMOUR® FUSION COLLECTION IT'S ALWAYS ON

Clothing is our first line of defense against the sun's harmful ultraviolet radiation. It protects us by absorbing or blocking the sun's UV rays.

The Skin Cancer Foundation grants its Seal of Recommendation to products that meet the Foundation's specific criteria for effective sun protection.

## PACLITE® PRODUCT TECHNOLOGY

Outer material  
GORE-TEX® Membrane  
PACLITE® Product Technology

GORE-TEX® laminates with PACLITE® product technology are durably waterproof, windproof and very breathable. With a lightweight and packable construction, these garments are ideal for activities when weight and space are critical.

A person wearing a blue and black patterned jacket is visible on the left side of the frame, looking out towards a vast, misty ocean. The sky is filled with soft, white clouds, and the water surface is calm with subtle ripples. The overall atmosphere is serene and expansive.

STORM

A close-up photograph of a person's legs and feet. The person is wearing khaki shorts and light-colored, perforated Under Armour sneakers with white soles. They are standing on a grey boat deck. In the background, there is a body of water and a clear blue sky with some clouds. A white rectangular box with a thin black border is centered over the image, containing the word "FOOTWEAR" in bold, white, uppercase letters. The overall scene is brightly lit, suggesting a sunny day.

## WHAT IS UA FREEDOM?

The commitment of UA FREEDOM is to enhance the physical and mental wellness of military and first responders, both active and retired.

Our rallying cry – PROTECT THIS HOUSE – is also a call to action for anyone who wants to join our mission. Every time you wear this logo, you're showing your support for those who devote their lives to defending their country & helping their communities.

In 2018, Under Armour will invest over \$1,000,000 in Freedom programming.

Through UA Freedom, Under Armour is proud to continue to support the mission of the following organizations:

ACTIVATE

### ATHLETES OF VALOR

In addition to providing performance apparel to service men and women during their transition, Under Armour is leveraging the power of collegiate sport to provide a Foundation for transitioning service members to enroll as collegiate student athletes.

SUPPORT

### USO

Resources from UA Freedom play a key role in supporting the USO and their mission of strengthening America's military service members by keeping them connected to family, home and country, throughout their service to the nation.

ENGAGE

### FLAGS OF VALOR

Under Armour is celebrating the entrepreneurial spirit of Flags of Valor – a veteran owned business that impacts their community through American-made, handcrafted American flags.

IMPACT

### CAL RIPKEN, SR. FOUNDATION & RISE

At Under Armour we proudly believe that sport can change the world. Through our work with the Cal Ripken, Sr. Foundation and RISE, UA Freedom is providing opportunities for youth and law enforcement to positively interact, build trust, and unite their communities through sport.

INSPIRE

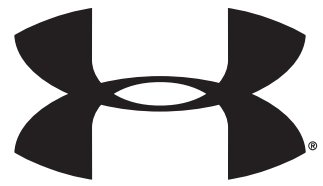

### WARRIOR GAMES

In collaboration with the Department of Defense Under Armour is proud to provide best-in-class performance apparel for the 2018 Warrior Games in Colorado Springs, June 1-9.

## CORE TECHNOLOGIES

Under Armour® products augment your training and capabilities with the following roster of proprietary performance-enhancing technologies.

## PERFORMANCE DNA

Every Under Armour® product is doing something for you: it's making you better. Following are the core pieces of DNA that deliver on this promise. The building blocks of performance.

Waterproof and breathable GORE-TEX® outerwear is made of the very toughest fabrics and is thoroughly tested to guarantee performance even after serious wear and tear.

Tactical gear with this symbol have been made or fabricated in the United States or a country that's been designated as a TAA compliant country.

**UNDER ARMOUR  
CHARGED  
COTTON**

Fabric made from natural cotton for superior softness and comfort – with the added benefit of UA performance.

**coldgear  
INFRARED**

Ceramic coating on the inner layer of your garment absorbs and retains body heat, so you stay warmer longer.

**COLDGEAR  
REACTOR**

Delivers true active warmth as you speed up or work harder, it adapts so you don't overheat.

**FLAME RESISTANT**

Incorporates fabrics that resist vertical flames, flashfires, and have non-melt properties for extreme conditions.

UA gear with this symbol meet requirements set forth within Army Regulation 670-1.

We've developed a system of water and wind protection to equip athletes facing any and every wet weather situation imaginable. From drizzle to steady rain to hurricane, we will keep you dry so you can perform better.

# STORM

**WATER-RESISTANT**

Durable water-resistant finish keeps you dry and light.

**WATER PROOF**

A breathable, protective membrane and fully taped seams for 100% waterproof performance.

## BENEFITS OF COMPRESSION

Whether it's training or gameday, your UA Compression base layer makes you better and unleashes the power of your muscles.

### INCREASED POWER & STAMINA: **STAY STRONGER FOR LONGER**

Reduces muscle vibration to lessen fatigue and maintain power output. Keeps muscles aligned correctly to increase repetitive muscle power.

### ENHANCED PROPRIOCEPTION: **KNOW YOUR BODY'S PLACE IN SPACE**

Enhances proprioception - the body's recognition of muscle patterns and spatial awareness - to increase muscle efficiency.

### FASTER RECOVERY: **GET YOUR MUSCLES BACK TO FULL STRENGTH FASTER**

Creates a healing environment around muscles and circulatory systems. Post-workout, reduces swelling, decreases soreness time and promotes muscle repair.

### SUPERIOR COMFORT: **STAY COOL, DRY, AND LIGHT**

Wicks moisture to keep you 53% lighter than cotton after 60 minutes of athletic performance. Speeds evaporation to regulate your core temperature.

## GEARLINES

Blistering heat to bitter cold. Whatever the climate, whatever the conditions, Under Armour® Performance keeps athletes comfortable, dry and light with gearlines engineered to perform.

**allseasongear™**

**heatgear™**

**coldgear™**

### FOR BETWEEN THE EXTREMES.

Best for weather between 55° and 75°.

### KEEPS YOU COOL WHEN ITS HOT.

Best for weather between 75° and 100°.

### KEEPS YOU WARM WHEN ITS COLD.

Best for weather between 0° and 55°.

## SIZE AND FIT

Under Armour® Performance has already compensated in the design of its apparel to be consistent with normal (XS -XXXL) sizing. Please order the size you would wear in a non performance T-shirt or pant.

**COMPRESSION**

### ULTRA-TIGHT, 'SECOND-SKIN' FIT

These products fit snugly to the body providing a close, lean and supportive fit.

**FITTED**

### CONTOURED TO THE BODY

Designed to be very close to the body without the constriction of compression.

**LOOSE**

### GENEROUS CUT, OVERSIZED FIT

Generous cut product, providing full range motion and a full, loose fit.

**SEMI-FITTED**

### SEMI-FITTED

Not too tight. Not too loose. Cut close without being too clingy.

The background is a dark blue, heavily textured surface, possibly concrete or stone, with visible cracks and creases. In the upper right quadrant, there is a large, light-colored Under Armour logo (the 'UA' symbol) surrounded by a circular arrangement of stars, similar to the European Union flag. The stars and logo are rendered in a light, almost white, color that contrasts with the dark blue background.

**FREEDOM**

## WHAT IS UA FREEDOM?

UA FREEDOM has a singular mission: support & inspire the brave men & women who are dedicated to protecting us, every day.

Our rallying cry – PROTECT THIS HOUSE – is also a call to action for anyone who wants to join our mission. Every time you wear this logo, you're showing your support for those who devote their lives to defending their country & helping their communities.

In 2018, Under Armour will invest over  in Freedom programming.

#UAFreedom | #PROTECTTHISHOUSE | #WEWILL

Through UA Freedom, Under Armour is proud to continue to support the mission of the following organizations:

## ACTIVITY

### ATHLETES OF VALOR

In addition to providing performance apparel to service men and women during their transition, Under Armour is leveraging the power of collegiate sport to provide a Foundation for transitioning service members to enroll as collegiate student athletes.

NO GREATER SACRIFICE

## EDUCATION

### NO GREATER SACRIFICE

Through our UA Freedom initiative we believe in supporting both those who have served as well as their families. In the spirit of that mindset, Under Armour is partnering with No Greater Sacrifice to provide a college education to children of the fallen and severely wounded Service members which develops a path for recipients to achieve their goals and dreams.

Ross Initiative In Sports for Equality

## MENTORSHIP

### CAL RIPKEN, SR. FOUNDATION & RISE

At Under Armour we proudly believe that sport can change the world. Through our work with the Cal Ripken, Sr. Foundation and RISE, UA Freedom is providing opportunities for youth and law enforcement to positively interact, build trust, and unite their communities through sport.

## SERVICE

### RUBICON

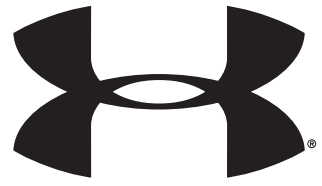

The partnership between UA Freedom and Team Rubicon is rooted in service. Under Armour is committed to providing resources necessary to unite the skills and experiences of military veterans with first responders to rapidly deploy emergency response teams in disaster areas.

## CORE TECHNOLOGIES

Under Armour® products augment your training and capabilities with the following roster of proprietary performance-enhancing technologies.

## PERFORMANCE DNA

Every Under Armour® product is doing something for you: it's making you better. Following are the core pieces of DNA that deliver on this promise. The building blocks of performance.

Waterproof and breathable GORE-TEX® outerwear is made of the very toughest fabrics and is thoroughly tested to guarantee performance even after serious wear and tear.

## coldgear INFRARED

Ceramic coating on the inner layer of your garment absorbs and retains body heat, so you stay warmer longer.

Tactical gear with this symbol have been made or fabricated in the United States or a country that's been designated as a TAA compliant country.

## COLDGEAR REACTOR

Delivers true active warmth as you speed up or work harder, it adapts so you don't overheat.

We've developed a system of water and wind protection to equip athletes facing any and every wet weather situation imaginable. From drizzle to steady rain to hurricane, we will keep you dry so you can perform better.

**WATER-RESISTANT**  
Durable water-resistant finish keeps you dry and light.

**WATER PROOF**  
A breathable, protective membrane and fully taped seams for 100% waterproof performance.

## BENEFITS OF COMPRESSION

Whether it's training or gameday, your UA Compression base layer makes you better and unleashes the power of your muscles.

### INCREASED POWER & STAMINA: *STAY STRONGER FOR LONGER*

Reduces muscle vibration to lessen fatigue and maintain power output. Keeps muscles aligned correctly to increase repetitive muscle power.

### ENHANCED PROPRIOCEPTION: *KNOW YOUR BODY'S PLACE IN SPACE*

Enhances proprioception - the body's recognition of muscle patterns and spatial awareness - to increase muscle efficiency.

### FASTER RECOVERY: *GET YOUR MUSCLES BACK TO FULL STRENGTH FASTER*

Creates a healing environment around muscles and circulatory systems. Post-workout, reduces swelling, decreases soreness time and promotes muscle repair.

### SUPERIOR COMFORT: *STAY COOL, DRY, AND LIGHT*

Wicks moisture to keep you 53% lighter than cotton after 60 minutes of athletic performance. Speeds evaporation to regulate your core temperature.

## GEARLINES

Blistering heat to bitter cold. Whatever the climate, whatever the conditions, Under Armour® Performance keeps athletes comfortable, dry and light with gearlines engineered to perform.

**allseason<sup>o</sup>gear<sup>®</sup>**

**FOR BETWEEN  
THE EXTREMES.**

Best for weather between 55° and 75°.

**heat<sup>o</sup>gear<sup>®</sup>**

**KEEPS YOU COOL

## SIZE AND FIT

Under Armour® Performance has already compensated in the design of its apparel to be consistent with normal (XS -XXXL) sizing. Please order the size you would wear in a non performance T-shirt or pant.

**COMPRESSION**

### ULTRA-TIGHT, 'SECOND-SKIN' FIT

These products fit snugly to the body providing a close, lean and supportive fit.

**FITTED**

### CONTOURED TO THE BODY

Designed to be very close to the body without the constriction of compression.

**LOOSE**

### GENEROUS CUT, OVERSIZED FIT

Generous cut product, providing full range motion and a full, loose fit.

**SEMI-FITTED**

### SEMI-FITTED

Not too tight. Not too loose. Cut close without being too clingy.

The background is a dark blue, heavily textured surface, possibly concrete or stone, with visible cracks and creases. In the upper right quadrant, there is a large, light-colored Under Armour logo (the 'UA' symbol) surrounded by a circular arrangement of stars, similar to the European Union flag. The stars and logo are rendered in a light, almost white, color that contrasts with the dark blue background.

The background is a dark blue, heavily textured surface, possibly representing stone or concrete, with numerous fine cracks and creases. In the upper portion of the image, there is a circular arrangement of twelve white, five-pointed stars. In the center of this circle is the Under Armour logo, a stylized 'U' shape with a horizontal bar across the middle, also rendered in white. The overall aesthetic is rugged and industrial.

# PERFORMANCE

Every Under Armour® product is doing something for you: it's making you better. Following are the core pieces of DNA that deliver on this promise. The building blocks of performance.

We've developed a system of water and wind protection to equip athletes facing any and every wet weather situation imaginable. From drizzle to steady rain to hurricane, we will keep you dry so you can perform better.

**WATER-RESISTANT**  
Durable water-resistant finish keeps you dry and light.

**WATER PROOF**  
A breathable, protective membrane and fully taped spears for 100% waterproof performance.

# **COLDGEAR®** REACTOR

Control your climate with UA Coldgear Reactor®, the active insulation that adapts and reacts to any level of cold.

## **STAY WARMER LONGER.**

A soft thermo-conductive coating on the inner layer of your gear absorbs and retains your own body heat, so you stay warmer longer ... with no extra weight or bulk.

**coldgear®**

# INFRARED

# **ISO-CHILL** COOLING TECHNOLOGY

**UA ISO-CHILL** stays cool to the touch and dissipates heat so you can conquer your pursuits through extreme conditions.

**UA SCENT CONTROL** traps odors to keep you virtually undetected in any environment. SCENTRY® technology captures over 90 percent of body odor molecules and releases them through washing and drying, so the fabric is ready to adsorb more odors next time.

**FOREST**  
CAMOUFLAGE

Built with a color palette that easily adapts to a variety of environments rich in foliage and wooded terrain, from treestands in the hardwoods to ground stalking through evergreen pines.

**BARREN**  
CAMOUFLAGE

Built with a color palette that easily adapts to a variety of environments where abundant foliage is absent, including high desert, rocky mountainous terrain, sage fields, southern brush, and late-season woods.

Waterproof and breathable GORE-TEX® outerwear is made of the very toughest fabrics and is thoroughly tested to guarantee performance even after serious wear and tear.

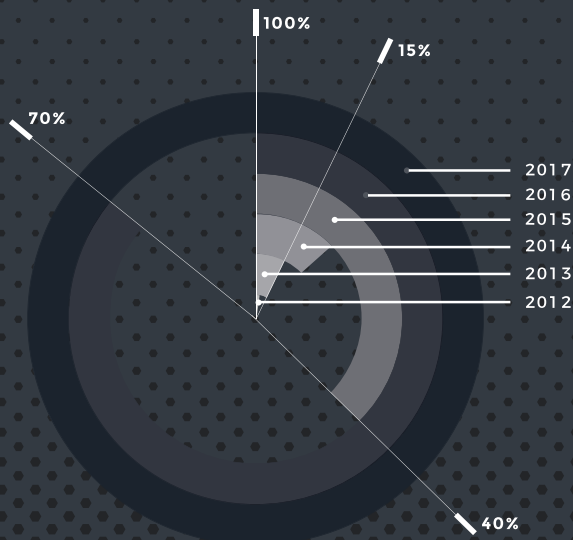

**ENGINEERED WITH 3-LAYER GORE-TEX® FABRIC**

- Designed for a wide range of outdoor activities
- Provides breathable comfort and durable waterproof and windproof protection
- The GORE-TEX® membrane is bonded to the outer material and an inner lining
- No movement between the layers, less wear and tear, and greater durability

**ALLIED**  
FEATHER & DOWN

The down inside this product is unlike any other. For over 25 years, our responsible sourcing and proprietary cleaning techniques have yielded some of the finest, warmest, most durable AND sustainably processed down available – so that you can always be comfortable and have peace of mind, regardless of the weather.

**RESPONSIBLE SOURCING**

## Early Season

---

This gear has you covered through the warmest September afternoons and the chilliest, dew-covered mornings. On the outerwear, we've used UA Microthread fabric for lightweight insulation that stretches without chafing or absorbing sweat and won't cling to you, even on warm afternoons. A full stretch-mesh backing provides superior ventilation and breathability with UA Storm and water-resistant panels keeping you dry and protected through fall showers. Articulated knees and 4-way stretch fabrication keeps you moving while base layers with UA Scent Control keep you undetected throughout the early season. When things truly heat up, Iso-Chill body fabric quickly disperses body heat for a chill you can feel, while wicking sweat to keep you dry.

# Mid Season

---

This gear has you covered well into winter for all but the coldest, windiest days of the late season. Built with 100 percent heavy-duty nylon, and a UA Storm water-resistant finish, you'll stay dry, warm and protected, even as you hike through the thickest stuff, where trails don't exist. A UA Scent Control fleece lining adds extra warmth while keeping you undetected in the field. A 2-way center front zipper and harness compatibility keep you protected and comfortable, whether you're sitting, standing or crouching. When the weather threatens to put your hunt on hold, the UA GORE-TEX® Essential Hybrid kit keeps you protected from even the harshest wind and rain with fully taped seams and hard-faced Paclite fabrication that instantly sheds water while eliminating contact noise to keep you silent.

UA STORM

A dark, atmospheric photograph of a forest during a rainstorm. The scene is filled with numerous rainbows, each appearing as a thin, colorful arc through the dense canopy of bare trees. The lighting is dim, with the primary light source being the rainbows themselves, which create a shimmering effect against the dark, wet surfaces of the trees and foliage. The overall mood is mysterious and serene.

# Extreme Season

---

This gear combines our best technology to keep you dialed in when the winter brings in frigid temperatures and the winds render traditional outerwear useless. We've used an acrylic-wool blend for natural wool performance with the added durability and stretch of performance microthreads. Body mapped insulation gives you added insulation on your core that tapers off on the sleeves for reduced bulk and increased mobility. A Gore WINDSTOPPER® membrane sits between two layers of PrimaLoft® Hi-Loft insulation to protect from the wind and provide maximum body heat retention, with a UA Scent Control fleece liner keeping your scent covered. We've added enhanced articulation at the joints to keep you as mobile as ever despite the added insulation, so you can stay mobile even when everything around you is frozen.

# UA BASE™

## COMPLETELY REENGINEERED. TOTALLY REBUILT. STILL BEST IN CLASS.

### WELCOME TO THE NEW UA BASE™ SYSTEM

UA BASE™ is the first line of defense any time you step into the cold. From cool mornings to the gnashing teeth of a winter squall, the UA BASE™ system has been completely redesigned to deliver peak performance through anything Mother Nature throws your way. A newly developed 4-way stretch fabric combination allows for greater comfort and mobility while the embedded moisture transport system wicks away sweat and dries quickly. UA Scent Control traps odors to keep you virtually undetected in any environment. SCENTRY® technology captures over 90 percent of body odor molecules and releases them through washing and drying, so the fabric is ready to adsorb more odors next time.

#### UA BASE™ SYSTEM

**UA BASE™ 2.0** COLD

**UA BASE™ 3.0** COLDER

**UA BASE™ 4.0** COLDEST

#### CHOOSE YOUR NUMBER TO MEET THE CONDITIONS:

##### UA BASE™ 2.0 ACTIVE BASELAYER – LIGHT, FLEXIBLE AND BREATHABLE

Turns up the heat against cold conditions without restricting movement.

##### UA BASE™ 3.0 ALL SEASON BASELAYER – MID-WEIGHT WARMTH AND MOBILITY

Designed to retain more warmth when external temps get severely cold.

##### UA BASE™ 4.0 EXTREME BASELAYER – EXTREME WARMTH, EVEN IN THE EXTREME COLD

Goes to battle against brutal temperatures with the highest insulation value.

# UA BASE™

## COMPLETELY REENGINEERED. TOTALLY REBUILT. STILL BEST IN CLASS.

### WELCOME TO THE NEW UA BASE™ SYSTEM

UA BASE™ is the first line of defense any time you step into the cold. From cool mornings to the gnashing teeth of a winter squall, the UA BASE™ system has been completely redesigned to deliver peak performance through anything Mother Nature throws your way. A newly developed 4-way stretch fabric combination allows for greater comfort and mobility while the embedded moisture transport system wicks away sweat and dries quickly. UA Scent Control traps odors to keep you virtually undetected in any environment. SCENTRY® technology captures over 90 percent of body odor molecules and releases them through washing and drying, so the fabric is ready to adsorb more odors next time.

#### UA BASE™ SYSTEM

**UA BASE™ 2.0** COLD

**UA BASE™ 3.0** COLDER

**UA BASE™ 4.0** COLDEST

#### CHOOSE YOUR NUMBER TO MEET THE CONDITIONS:

##### UA BASE™ 2.0 ACTIVE BASELAYER – LIGHT, FLEXIBLE AND BREATHABLE

Turns up the heat against cold conditions without restricting movement.

##### UA BASE™ 3.0 ALL SEASON BASELAYER – MID-WEIGHT WARMTH AND MOBILITY

Designed to retain more warmth when external temps get severely cold.

##### UA BASE™ 4.0 EXTREME BASELAYER – EXTREME WARMTH, EVEN IN THE EXTREME COLD

Goes to battle against brutal temperatures with the highest insulation value.

A full-page photograph of two women running on a rocky, snow-dusted trail. The woman in the foreground is wearing a black long-sleeved athletic top with a white Under Armour logo on the chest, black leggings, and black running shoes. She is also wearing a black headband with the Under Armour logo. The woman behind her is wearing a light blue jacket and a black headband. The background consists of large, light-colored rocks and sparse, dry vegetation with patches of snow.
