

Ace Lighters

Get lucky with one of these Zippo windproof lighters. The Ace lighters are created using Zippo's various imprint methods; color image, fusion, stamping, and engraving. These unique designs have been placed on five different lighter cases; high polish chrome, high polish brass, black matte, black ice, and gray dusk.

All Zippo windproof lighters are American made in our Bradford, PA factory.

How are they made?

Four different imprint methods make up this ace lighter collection. Can you guess which lighter is which? 1) **Color image:** Ability to imprint in multiple spot colors or full color photographic representation 2) **Fusion:** Combination of specific pre-determined color palettes with chrome breaks to create an iridescent, metallic look. 3) **Stamping:** image is debossed into the case, creating a 3D design. 4) **Laser/Auto Engrave:** Combination of laser and auto engrave processes to achieve a jewelry look.

Characteristics

- (1) Refillable
- (2) Windproof
- (3) Made in USA
- (4) Lifetime Guarantee

Lifetime Guarantee

All Zippo pocket lighters, are backed by the famous Zippo Guarantee - 'It works or we fix it free.'

Any Zippo pocket lighter, when returned to our factory, will be put in first class mechanical condition free of charge, for we have yet to charge a cent for the repair of a Zippo pocket lighter, regardless of age or condition. The finish, however, is not guaranteed.

Features:

Case

The ace lighters have a standard case shape featuring rounded corners and top with a flat bottom. A five-barrel hinge joins the top and the bottom.

Insert

Standard insert with 16 holes in the chimney (8 per side).

Bottom Stamp

Bottom stamp with Zippo logo from the period authenticates these lighters as genuine Zippo.

Packaging

Unless otherwise stated, every Zippo windproof lighter is packaged in the 'one box'. The patented 'one box' is attractive, easy to handle, and designed to display more of the lighter than ever.
