

Equipped For Any Forecast

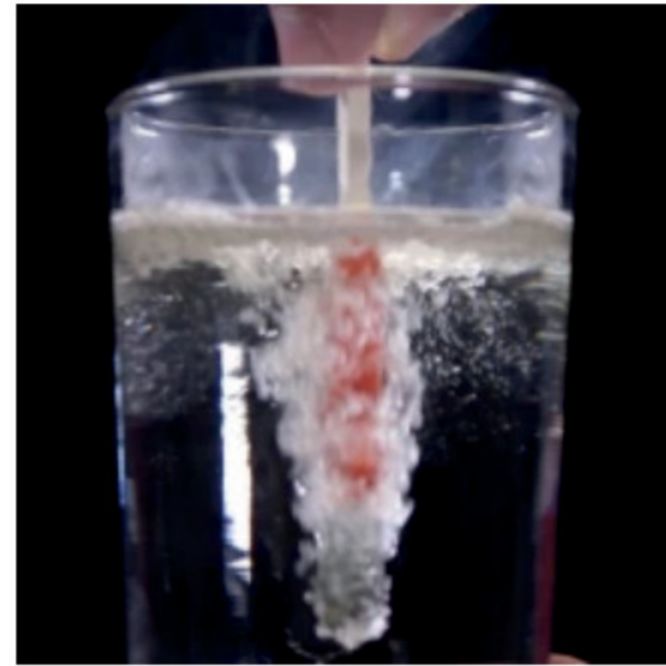

This Typhoon Match Kit is ready for any adventure. Its heavy-duty construction and sealed strike pad keep your Typhoon Matches in one place. The Typhoon Matches are resilient and boldly flame through anything Mother Nature throws at it. These mini-infernos are easy to strike and designed to defy the elements so you can light your fire in even the most severe conditions.

Typhoon Match Features:

Windproof

Our Typhoon Matches will quickly light and stay lit even in the strongest winds.

Water-Resistant

Our Typhoon Matches can survive being submerged in water and stay lit in the rain as long as there is phosphorous remaining (the red section) on the match.

Intense Flame

Our Typhoon Matches produce a hot and intense flame that is great in any survival situation.

Burn Time

Our Typhoon Matches will burn up to 30 seconds each. With an extended length of approximately 4 inches, these matches allow for added safety.

Typhoon Match Kit Features:

Water-Resistant Storage

Our water-resistant Typhoon Match Kit floats in water for extra peace of mind. An O-ring creates a waterproof seal that protects the 15 Typhoon Matches from moisture and keeps them dry.

Sealed Strike Pad

The integrated water-resistant end cap keeps the strike pad dry and protected from the elements. Additional strike pads are included in the Typhoon Match Kit and Typhoon Matches for backup.

Quick Lighting

Our Typhoon Matches produce a hot and intense flame for up to 30 seconds. The matches will only ignite when struck on our strike pad for added safety.

Portable

Keep this kit close with its molded lanyard hole. Connect it to a lanyard, attach it to your backpack, and you're ready to go.
